## PRO-LIFE

The difference between the pro-abortion side and the pro-life side is not that they favor women's rights and we love the baby. The real difference is that they think you can separate the two and we don't. Thus, the pro-life position is, “Lets love them both. Mother and child belong together.”

## THANKSGIVING SHOPPING

IT'S NEVER TOO EARLY to start planning your Thanksgiving Day dinner. Make sure your plans include buying Shopping Certificates for all your holiday dinner needs. Whether it is Turkey, Ham or Football Party Trays, shopping certificates are a great way to support our school. Shopping certificates are easy to buy. You can purchase them after all the masses, at the parish office or through the school. You can purchase them in as little as \$10 denominations. Our school earns 5% of the face value on each card sold. If every family in the parish used a shopping certificate for their Thanksgiving meal, our school could earn hundreds of dollars. This is the easiest and most convenient fund raiser we have!!! So as you give thanks for all that you have, give a special gift St. Elizabeth Regional School. We are ever so thankful to you for your continued support.
