"Shoppe E's" Program  
(Gift/Shopping Cards)**

*The "Shoppe E's" Program is designed to help parents decrease their tuition  
using their grocery store budget.*

An average family spends about \$100 per week or approximately \$4000 a year on their grocery bill. By participating in the Shoppe E's program, you can meet your yearly "gift card" fee requirement. All you need to do is:

- Purchase your store cards at face value and use them like cash at participating stores.
  - It's a simple exchange that can earn you a credit toward your mandatory gift card fee.
- Bring your check or cash to the school office; purchase cards from one of the participating grocery stores and go buy your groceries.
  - Your \$100 for groceries is still \$100 but you have now earned 5% toward your gift card fee.

There are a variety of other cards available for purchase to include: Olive Garden, Red Lobster, Longhorn Steakhouse, Applebee's, Panera, Bath & Body Works, Bed, Bath & Beyond, just to name a few. You can also buy "Giant" or "Redner's" cards and use them to purchase other cards in their store. We have a number of families who buy the grocery card and then go to the store to purchase "Home Depot" cards.

Once you've met the mandatory amount, you will receive 4% of a store card's value as a tuition credit for the following year at Saint Elizabeth Regional School, Allentown Central Catholic High School or Bethlehem Catholic High School for each store card purchased through the "Shoppe E's" Program.

If a family does not meet the mandatory amount for the year, they will be billed for the remaining balance.

***Store cards may be purchased at the following locations:***

- School Office while school is in session.
  - Stop in or send your order into school with your child.
  - Cards will be sent home with your child that same day.
- Saint Elizabeth Parish office from 8 am to 4 pm, Monday through Friday.
- Saint Elizabeth Church after weekend Masses.

Ask family and friends to buy cards in your child's name!

***Remember, there is no limit to the credit that you can earn for next year!***
