PHILOSOPHY

Saint Elizabeth Regional School community, through a total commitment to Jesus Christ and the teachings of the Catholic Church, strives to foster the practice of Christian values of Christ. This enables parents, students, faculty, staff, administration, and clergy to realize that we are called to live the Gospel values and fulfill the realization of God's plan through action and service.

Viewing the parents as the primary educators of their children, they are invited to take an active part in their child's education by being involved in the stewardship opportunities available to them. There is a striving for open, honest, and harmonious communication with parents, students, and teachers. Together we accept new challenges in the faithfulness to our vocation, sharing common human experiences, and working diligently to build the Kingdom of God.

As Catholic school educators, we strive to instill in our students a positive attitude toward leadership and citizenship. Each individual student is encouraged to be appreciative of their uniqueness as a gift from God, which fosters self-awareness, self-confidence and self-responsibility. As we prepare students for their entrance into the world community, we see the need for the imparting of academic knowledge. By providing our students with an atmosphere that will inspire them to be lifelong learners, they will be enabled to maintain spiritual, mental, and physical fitness throughout their lives.

Administration and faculty implement the policies and curriculum recommended by the Diocese of Allentown, Department of Education. Evaluation of curriculum and assessment of student liabilities is an ongoing process, which incorporates formal and informal methods. This process has as its goals, not group norms and standards, but an opportunity to allow each student the means to self-measure personal achievement.

In the spirit of the Mercy tradition, a personal relationship with Jesus is at the heart of our vocation as educators at Saint Elizabeth Regional School. In response to God's love, the community ventures to provide a quality education for the children entrusted to them, so their learning will be relevant now and in the future.

CURRICULUM

Saint Elizabeth Regional School curriculum is built on a solid foundation in basic skills. Religion, Writing, and Math are strongly emphasized. Reading classes are held at the same time throughout the school to allow the children to advance according to their level. The concept of continuous progress has been strongly supported with success by the Diocese of Allentown, Office of Catholic Education. In some cases, there will be mixed classes in a particular Reading class according to Level Placement. There is great deal of educational literature supporting this concept not only enabling students to achieve higher scores in standardized tests, but also in fostering positive self-acceptance.

Religious Education – Students participate in daily religion classes, liturgies, prayer services, confession and sacrament preparation. Prayer begins and ends our school day. Class liturgies are held throughout each month. Prayer services are held throughout the school year, celebrating feast days and on other special occasions. Students are prepared for the sacraments of Reconciliation and First Eucharist in 2nd grade and for Confirmation in 8th grade. We ask parents to participate in most of these events; please check your monthly calendar for more information.

Parents are expected to ensure their children attend Mass every weekend. The faculty at Saint Elizabeth Regional School supports this by encouraging students' awareness of God's continual presence and the need for prayer.

COMMUNICATION AND CONFERENCES

Communication between home and school is vital. A white envelope that contains valuable information or important papers – i.e., tests, sign-up sheets, fundraiser paperwork, etc. will be sent home each Wednesday with the youngest or only child. These envelopes should be sent back to school the following day.

The Principal and Faculty are always willing to meet with you; however we ask that an appointment be made in advance. Teachers cannot leave class during instruction time and have after-school duties and commitments. Do not go to the classroom while classes are in session or without an appointment. If the appointment is before school, please park on either end of the parking lot, not in the first couple of rows. If the appointment is after dismissal, you may enter the building after all students have left.

If you would like to speak to your child's teacher, you may do so by calling the main office. The phone is answered throughout the day by the administrative assistant who will take a message for the teacher.

If at any time you call the school and get the recording you can leave a message and we will return your call as soon as possible.

Telephone Calls – Students are only allowed to use the main office phone after obtaining permission from their teacher, the principal, or the administrative assistant. Cell phones or any other device used for communication may not be used by students in the school or at after school activities at any time. Please make every effort not to call the school office to ask to talk to your child. If you have an emergency, your child will be given your message and if necessary you will be allowed to speak to your child.

Invitations – to private parties may not be given out in the school classroom unless every class member is invited. In other instances, if it's a girls party – all girls must be invited; boys party – all boys must be invited.

Address and Phone Numbers – It is very important to keep us informed of any changes to your home address, email address and phone numbers. Your phone numbers and email addresses are extremely important since they are used for Option C Parent Alert messages and the monthly newsletters. Parents may be called for a variety of reasons. In the event of an emergency, we will always call the parents first using the numbers provided. If the number

is incorrect, out of service, or your mailbox is full, we will have a hard time trying to reach you.

DISCIPLINE

Discipline in a Catholic School enables all of us to “love God, and love our neighbor as ourselves”. SAFETY AND SECURITY

- Please be aware of the **15 mph school speed zone.**

Students will be there to assist if needed. **If you must help your child out of your vehicle, please move up and to the right of the line of cars, past the students already standing in line.** Park your car and assist your child. Exit the parking lot at the lower end by the gym.
- Do not stop in the driveway to drop off your child. Wait your turn and pull up into the parking lot so your child can exit the car as noted above.
- The school parking lot is used as a playground by some classes at 10 am recess and by most students at lunchtime. Therefore, we ask that you park on either side of the parking lot if you visit the school. **Do not park in the front row of the parking lot.**
- **No one should stop by the playground to talk to students when they are outside.** Do not park on the street and tell your child to come to you. If you need to speak to your child, please come to office and we will have the child come to you. The yard parents have been instructed to ask you to leave the playground. This applies to grandparents and friends as well.

School Security – School doors are locked at all times. Please ring the bell at the main entrance for access. Students are not permitted to open the doors, even if they know who you are. **Visitors and/or volunteers are to report to the office to sign-in before proceeding to their destination.** This includes former students. Please do not enter the school through any other doors. If for some reason you gained entry through the parish hall/cafeteria, we ask that you go around to the front school entrance to enter the school.

Visitors are not to roam the halls without letting someone in the school office know of their destination. Teachers are not to be disturbed during teaching time!

Dismissal – Regular dismissal time is 2:50 pm. Please make sure your children know how they are going home each day. A teacher escorts children to their buses; a teacher and a crossing guard cross the students to the parking lot. For those of you picking up your children, please follow these rules:

- Do not park in front of the school or on the street, but rather in the schoolyard
- Do not park in the first row of spaces; children gather here to look for their rides

Please do not move your car until all children are safely in their cars
Make sure your child is picked up by 3 pm (Extended Day care available 3-6 pm)

If your child normally rides the bus and you plan to pick him or her up, please make every effort to notify the office beforehand. It saves a lot of time and avoids confusion. You should also notify the school district if your child will not use transportation on any given day – this applies to morning and afternoon schedules.

Fundraisers are an integral part of our school system. They help us earn funds that can be used to replace or purchase new items for the school which in turn help the students. Fundraisers are not mandatory. You will still be able to earn tuition credit by purchasing gift cards through our Shoppe E's program, if you choose to do so. Detailed information about this program will be sent home every fall. We thank you in advance and hope you will continue to participate in all of our fundraisers.

VOLUNTEERS

Saint Elizabeth Regional School cannot operate optimally without our wonderful volunteers. Our children ultimately are recipients of the generous gift of your time. Volunteers are needed in any capacity that you feel you can offer your talents to make Saint Elizabeth Regional School a great place to learn. All school volunteers must attend a Protecting God's Children Workshop and have a criminal background check and sexual abuse check completed. All must read and sign the Sexual Abuse Policy and Volunteer's Code of Conduct, Mandated Reporting and Fingerprints done as mandated by the Diocese of Allentown.

WEAPONS AND ILLEGAL SUBSTANCES

Any student who possesses any type of weapon or illegal substance will be turned over to law enforcement personnel, expelled and subject to criminal sanctions authorized by law. The parent of the student shall be notified immediately by the principal. Any weapon or illegal substance confiscated will be turned over to law enforcement personnel.

PUBLICITY

We continually try to market our school using all venues of advertising. Teachers are encouraged to take pictures during the school day not only for the yearbook, but also to be used to showcase the activities at Saint Elizabeth Regional School. There are times the local newspaper visits to take pictures for a story they may be doing. All parents must sign a form allowing us to post pictures of students on bulletin boards, our webpage, facebook page and in the newspapers. *If we do not have a form on a particular student, they will be asked to move out of photo range so the others may have their picture taken.*

EMERGENCY INFORMATION – School Closings

Inclement Weather

In the morning, if the school should be closed or delayed because of inclement weather, please watch WFMZ-TV Channel 69.

Option C Parent Alert will be made to each family when there is inclement weather. **It is very important that your phone/cell numbers and email addresses are current or you will not receive Option C Parent Alerts.**

It may happen that certain school districts will not provide busing and Saint Elizabeth Regional School would be open. In that case, you must decide how safe it is to provide your own transportation. A child who misses school on such a day will be marked absent, due to inclement weather. This is considered an excused absence and will not deprive a child of perfect attendance.

If we have early dismissal, we normally release approximately one-half hour after the Whitehall /Coplay Middle School. **Please do not call the school or rectory.** Information will be circulated as soon as we receive it. All parents of students who ride school buses, after receiving the Option C Parent Alert, need to make sure someone is home to meet their child. Dismissal remains the same as a regular day; with buses being called first and then walkers and cars. *Please do not come into the school for your child.*

In all cases, the information is posted on our web page www.sercc.org/school. WFMZ – Channel 69 has a web page that will keep you posted of the latest school closings/delays go to www.wfmz.com and click on School Closings. WFMZ also provides a service to send a text to your phone with closings or dismissals. Look for it on their web page.

Other Emergencies – Fire drills and tornado drills are practiced throughout the school year. In the event of an impending natural disaster and students need to remain at school for an extended period, a classroom parent coordinator will notify you. During an emergency, we receive information and instructions from the Lehigh County Emergency Management Agency and/or the Whitehall Police Department. If it is not safe to leave the building, the school will be locked down and no one will be permitted to enter or leave the building. When we are told it is safe to leave you will be notified.
