

FAQ - GIFT CARDS FOR TUITION CREDIT

Below is a listing of the most frequently asked questions regarding the Gift Cards for Tuition credit:

1. How do I earn Tuition Credit for Gift Cards purchases?

The profit is split between purchasers and the school. Each time a Gift Card is purchased, it is entered into the student account. Cards earning a higher percentage will naturally yield a higher credit. Please see the Pre-order sales sheet for card percentage.

2. Can anyone purchase Gift Cards for Tuition credit?

YES!!! Encourage your Family and friends to purchase Gift Cards for Tuition credit. All that is needed is for your family name to be used for which the credit is to be applied!

3. Can I donate my “credits”?

If a family opts to not receive a Tuition Credit, they may certainly donate their credits. Credits may be donated to another family in the school, ACCHS or BECA high school, or directly back to St. Elizabeth Regional School.

I prepay my tuition. What happens to my credits?

You may choose how to apply credits earned; you may apply the credit to the current year or to the following year's tuition or donate the credit to the school. Should you have any questions, comments or require additional information, please feel free to contact the school or Mrs. Garcia at the rectory (Parish Office – 610-266-0695).
