## FROM THE PASTOR'S DESK

Today we once again hear Jesus talking to his disciples in parables, and at the heart of this passage is the Parable of the Weeds and the Wheat. These are tough words from the mouth of Jesus. He doesn't paint a rosy picture - describing angels harvesting the weeds and tossing them into a fire. And yet, even though that statement is dramatic and attention-getting, it really isn't the main point he seems to be making. You see, at the heart of the story is the idea that men and women, you, and I, need to refrain from what we so often do - judging. In the gospel, Jesus describes the Master telling his servants who want to do the weeding, 'No, if you pull the weeds, you might uproot the wheat along with them.'

Not judging others is a tough thing to do. And make no mistakes about it - at some level we must make some judgments about behavior. It's part and parcel of trying our best to live peacefully and justly with others. But what Jesus seems to be cautioning us against is the temptation to presume that we can see what God sees or know what God knows.

There is only one situation in which we must attempt to distinguish the weeds from the wheat, must try to know the good and the bad, what should be and what must not be. Of course, I'm talking about each of our own individual hearts.

The reality is that people aren't simply one thing or another. Life is more complicated than that. Motives are more mixed than that. Human freedom and culpability are not black and white. They involve many factors. And that means that each of us have weeds and wheat growing side by side within each of us. And knowing the difference is not just something that we can know (to some extent) but is something that we must know if we truly want to live a good life, a holy life, a life that makes a difference in this world, a life in, with and for God.

And so today we are invited to pray for deeper self-knowledge and self-awareness, a better understanding of the weeds growing up alongside the wheat deep within us. The first step in becoming the person God created each of us to be is knowing what needs to change within us. The good news is that we don't have to do the weeding ourselves. Our loving God died so that those weeds (our sins) can be uprooted and tossed into the fire. We just need to know what they are, be sorry we let them grow there in the first place and ask God to take them away (all this wonderful transformation can take place in the sacrament of reconciliation). When we do this, let God uproot those weeds in our lives, some incredible and beautiful things can grow in their place.

God bless you. Fr. Stan.

## Natural Family Planning

The Catholic Church celebrates human sexuality and science as a gift from God. Natural Family Planning (NFP) is a term used to describe a variety of different scientific, natural, and moral methods of fertility awareness. Married couples are called to make responsible decisions about parenthood while remaining open to life and God's plan. Together, married couples choose a method of fertility awareness that works best for them. They learn to observe and chart the signs and symptoms of their combined fertility. They then use this information to continuously evaluate and discern God's plan for their marriage and family. All methods of NFP are between 98-99% effective in assisting couples in avoiding pregnancy if needed. Unlike contraception, NFP respects and protects both the love-giving (unitive) and life giving (procreative) nature of the conjugal act. Couples can honor their wedding vows and express their free, total, faithful, and fruitful love for one another in and through every conjugal act. These methods naturally allow for married couples to regularly and prayerfully discern whether God is calling them to have more children. In this way, married couples consciously and intentionally invite God and His blessings into their marriage and family. NFP also fosters the virtues needed for a strong, healthy marriage relationship, such as trust in God and one another, increased communication, and self-control. We invite you to learn more about the beautiful teachings that support the use of NFP in marriage by visiting the following websites.

To Whom It May Concern,

Our 5th Annual Saint Elizabeth Regional School Golf Outing is scheduled for September 30, 2023 at Whitetail Golf Club. Shotgun start is at 1:00 pm. Last year we hosted 100 golfers and raised over \$7,000. The money raised last year went towards a new sound system in our parish hall for both church and school use. Similarly to last year, the golf outing is a very important fundraiser for the school.

St. Elizabeth Regional School continues to have successful graduates each year and educates around 190 students from all over the Lehigh Valley. The dedication and commitment of our teachers, staff, students and entire community are unparalleled and we are grateful to have each and every one of them. We have set a goal to build on our success and breach \$10,000 raised for our event this year. We need your help.

We will direct the money raised from the school board events this year to the maintenance and repairs of some of the aging infrastructure of the school and parish hall. We ask that you consider sponsoring this year's event. Please send checks directly to Saint Elizabeth Regional School. If your sponsorship level includes golf please include the names and emails of the players.
